Accents

Only detail the accents that you can do as second nature. Put an asterisk* by the one that is your native accent.

Dance

Be honest – If you can't do a certain style of dance after someone showing you a routine once, don't put it here!

Sports

If you like, you can put (advanced) next to the sports you excel at.

Other Skills

Things like a clean driving license, directing, workshop facilitator, but again – be honest!
